

# SIMPOSIUM KEBANGSAAN SAINS MATEMATIK KE-24

*"Traversing Mathematical Sciences for Global Sustainability"*

## SKSM24

27-29 September 2016  
Primula Beach Hotel, Kuala Terengganu

Organizer

Symposium Scope

Pure Mathematics, Engineering Mathematics, Applied & Computational Mathematics, Mathematics Education, Statistics, Optimization, Operational Research, Actuarial Science, Finance Mathematics, Quality and Productivity

### SYMPOSIUM FEES

| Categories   | Early-Bird Rates<br>(before 15 July 2016) |                       | Normal Rates      |                       |
|--------------|---|-----------------------|-------------------|-----------------------|
|              | PERSAMA<br>Member                         | PERSAMA<br>Non-Member | PERSAMA<br>Member | PERSAMA<br>Non-Member |
| Professional | MYR1000                                   | MYR1100               | MYR1100           | MYR1200               |
| Student      | RM900                                     |                       | RM1000            |                       |

### IMPORTANT DATES

|                                     |                  |              |
|-------------------------------------|------------------|--------------|
| Submission of Abstract              | : 31 May 2016    | 15 June 2016 |
| Notification of Abstract Acceptance | : 15 June 2016   | 30 June 2016 |
| Early-Bird Registration and Payment | : 15 July 2016   | 30 July 2016 |
| Submission of Full Paper            | : 15 July 2016   | 31 July 2016 |
| Registration and Payment Deadline   | : 15 August 2016 |              |

The Proceedings of SKSM24 will be published by The American Institute of Physics in AIP Conference Proceedings that is indexed in ISI and Scopus.

**AIP**  
American Institute  
of Physics
